Dear Valued Partner,

On behalf of the 26th Annual Emergency Medical Services-University, we are excited to seek partnerships who wish to support our mission and sponsor the upcoming event May 1-2, 2025, in Gillette, Wyoming.

EMS-University has been a cornerstone in advancing the field of emergency medical services by providing comprehensive and innovative educational opportunities to our community of emergency responders, medical professionals, and healthcare providers for the past 26 years. Our annual conference serves as a hub for networking, professional development, and the exchange of cutting-edge ideas and practices in urgent and emergent medical care.

We offer several levels of sponsorship, each providing unique benefits and opportunities for visibility, recognition, and engagement. Enclosed you will find more detailed information regarding the sponsorship packages available for your consideration. Your sponsorship will play a crucial role in ensuring the success of this event, allowing us to provide top-notch speakers, hands-on workshops, state-of-the-art equipment demonstrations, and scholarships for deserving attendees.
